Family Learning Spring Fun with Phonics

Dear Parents and Carer,

We would like to invite you to join us for a family phonics taster session on Wednesday 18th January at 2:15 in the Key Stage 1 hall. Lots of families asked us about how they can support phonics at home and we would love to support you with this so Mrs Bootland will introduce you to the format of our phonics sessions and some of the words your children may be using at home. Katherine will then introduce our new Family Learning phonics course Fun with Phonics for 2023.

From Wednesday 25th January at 1-2.55pm you can join us to learn more about phonics and how to help your child at home. Everyone will receive a free phonics resource pack with ideas for games and activities to try at home. We will cover all the terminology used in school and each week there will be an activity to take away and try at home. At the end of each session, your child will join you and you can try out what you have learnt together! Limited free childcare is available in the Children's Centre – please text Katherine to book a childcare place.

For more information you can speak to a member of staff or contact Katherine directly by emailing Katherine.webb-sear@york.gov.uk or texting 07920587385.

We are looking forward to seeing you all there,
The Foundation Stage Team

Please note that to protect our children the school gates are locked between the hours of 8.30am and 9.05am and 2.45pm and 3.30pm. If you are travelling to school by car during these times, please be aware that you could be locked in the school car park. Please find alternative parking outside the school gates, if required.
