- 2.2. Children are eligible for free childcare from the relevant dates (outlined at paragraph 2.3) up until the beginning of the term following their fifth birthday.
- 2.3. With regards to the age criteria, pupils will be eligible as follows:
- Born between 1 January-31 March: eligible from the start of term beginning on, or following, 1 April after the child's third birthday
- Born between 1 April-31 August: eligible from the start of term beginning on, or following 1 September after the child's third birthday
- Born between 1 September-31 December: eligible from the start of term beginning on or following 1 January after the child's third birthday
- 2.4. The school can currently accommodate a maximum of **24** nursery children. This can increase termly depending on the waiting list and staffing.
- 2.5. The school offers 30 hours free childcare as an extension to the universal 15 hours free childcare.
- 2.6. Parents wanting to access the universal 15 hours free childcare for three and four-year-olds do not need to apply for this through the digital childcare service.

- 2.7. For children who take up their place later in the year or have moved to the LA part-way through the year, the LA will secure a pro-rata'd number of free hours. The total number of hours will be adjusted to reflect the portion of the year remaining.
- 2.8. The LA will ensure that any three or four-year-olds moving to England from another country can access their free place on the same basis as other children.
- 2.9. Parents wanting to access the 30 hours free childcare entitlement can check eligibility through [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) .
- 2.10. Parents are able to access the 30 hours of free childcare for 38 weeks out of the year. This is term time only.

The sessions offered to nursery children are as follows:

- Sessions run from 8:45am-11:45am in the morning (doors open at 8:40am) and from 12:00pm-3:00pm in the afternoon. Children attending full days will start at 8:40am and finish at 3:00pm.
- Parents / carers can choose how their child will access their nursery hours. Sessions can be taken over 5 mornings, 5 afternoons, or a combination of both mornings and afternoon sessions.
- Parents wishing to access more hours can pay for additional sessions at a cost of £15 per 3 hour session within the hours stated above.
- 

### **3. Eligibility for 30 hours free childcare**

- 3.1. Parents of children aged three and four must meet the following criteria in order to be eligible for 30 hours free childcare:
  - Each parent earns, or is expected to earn, a weekly minimum equivalent to 16 hours at National Minimum Wage or National Living Wage (unless in a 'start up' period – i.e. newly self-employed – in which case they do not need to meet the income criteria for 12 months)
  - The parent should be seeking the free childcare to enable them to work
  - One or both parents are on maternity, paternity, shared parental or adoption leave, or are on statutory sick leave
  - One parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work
  -
- 3.2. If a non-European Economic Area national, the parent has recourse to public funds Parents should check their own eligibility for the scheme using the government's [Childcare Choices](#) website or [childcare calculator](#). If parents are eligible, they will be directed to the digital childcare service to apply.
- 3.3. Parents can only start claiming their 30 hours free childcare the term following the date they receive a decision from HMRC. For this reason, parents are urged to apply as soon as possible.

- 3.4. If eligible, parents must provide the school with their unique code to confirm they are eligible for the scheme, together with their National Insurance number and child's date of birth. As the free childcare cannot be claimed until the code has been verified, parents should provide the school with this information as soon as possible in order to avoid delay.
- 3.5. Parents will be prompted every three months by HMRC to reconfirm that they remain eligible for free childcare.
- 3.6. The LA will audit the eligibility codes at six points during the year to identify any children who have fallen out of eligibility.
- 3.7. In accordance with 3.6, the LA will notify the school as soon as possible where parents have fallen out of their eligibility. The school will then notify parents within **five** working days.
- 3.8. If parents cease to meet the eligibility criteria, they will receive a 'grace period' – i.e. they will continue to receive the 30 hours free childcare for a short period of time.
- 3.9. If a parent falls into their grace period before their child has started a 30 hours place, they should not take up their 30 hours place.
- 3.10. The grace period will not continue once a child has reached compulsory school age.
- 3.11. A child who becomes ineligible during the first half of a funding block will be funded until the end of that funding block (i.e. 31 March, 31 August, 31 December) or for as long as they remain under the compulsory school age, whichever is shorter.
- 3.12. A child who becomes ineligible in the latter half of the funding block (i.e. up to the last day of the funding block) will be funded until the end of the following funding block or for as long as they remain under the compulsory school age, whichever is shorter.
- 3.13. If a child becomes ineligible for the 30 hours free childcare, they will still be entitled to 15 hours of free care.
- 3.14. Consideration to extend the grace period will be taken in exceptional circumstances, e.g. if a parent has been forced to leave their home and paid employment.
- 3.15. If you or your partner have expected adjusted net income over £100,000 in the current tax year, you will not be eligible.

#### 4. Extension of 30 hours to children in foster care

Children in foster care are also eligible for the additional hours, provided that they meet the following criteria:

- Accessing the extended hours is consistent with the child's care plan, placing the child at the centre of the process and decision-making;
- That, in single parent foster families, the foster parent engages in paid work outside their role as a foster parent; and
- two parent foster families, both individuals engage in paid work outside their role as a foster parent.

In accordance with criteria 3, if one individual is not a foster parent, then they must be in qualifying paid work and earn a minimum of the equivalent to 16 hours at National Minimum Wage or National Living Wage to be eligible.

There is no requirement on the type of work or number of hours that a foster parent must work in order to access the 30 hours, and there is no minimum earnings limit – although they must be engaging in paid work.

4.1 Children in foster care will continue to be eligible for the universal 15 hours regardless of the working status of their foster parents.

4.2 There is no requirement to access the full 30 hours if this is not necessary.

4.3 To apply for the additional hours, foster parents must apply directly to the LA – there is no requirement to apply via the childcare service.

4.4 When initiating an application, foster parents are required to inform the child's social worker.

4.5 A designated individual, as determined by the LA, will countersign the foster parent's application to confirm eligibility. This may be, for example:

The child's social worker; or

A supervising social worker; or

An independent reviewing officer appointed by the LA to protect the child's interests throughout the care planning process.

4.6 In some cases, the LA may deem it appropriate for the application not to have a second signature – this will be agreed between the LA and foster parent before the application is made. The signed form (by the parent only) will be sent directly to the contact within the LA who is responsible for issuing codes.

4.7 The LA has the flexibility to develop a policy and procedure for establishing the eligibility of children in foster care. Any process developed will be proportionate, flexible and aligned with existing process as far as possible, with the focus being ensuring consistency with a child's specific care plan.

4.8 All foster parents will have access to the LA's locally agreed policies and procedures for determining eligibility. In particular, foster parents will be provided with the following:

The role of the designated person

Who the designated person is and how to contact them

What evidence the foster parents should be expected to provide

How the foster parent should pass the form to the LA

How/if the evidence will be stored once the form is completed and approved

The timeframe by which the designated person will response to any application – this will be no later than four weeks from the receipt of the application

4.9 Where the LA determines that an application for the additional hours is not consistent with a child's care plan, they will not be eligible, regardless of whether parents satisfy the other criteria outlined in paragraph 5.1.

4.10 Where an application is approved, details will be entered onto the eligibility checking system where a record will be created for the child. Once the code is generated, this will be sent to parents via email and the child's social worker will be informed that the code has been issued.

4.11 Once foster parents have received the code, the process is the same as that outlined in section 3 of this policy.

4.12 Foster parents will be required to re-confirm their eligibility every three months and will be prompted in advance of the deadline.

4.13 The LA is free to determine the exact evidence required from foster parents to re-confirm eligibility, which will be made clear to parents during the initial application. At a minimum, the LA will be satisfied that:

The placement is still ongoing;

Accessing the additional hours is still consistent with the child's care plan; and

The foster parents are still engaging in paid work outside their role as a foster parent.

4.14 If a foster parent is unhappy about the decision made by the LA, they should follow the LA's complaints process and contact the child's social worker.

- 7.3. The **governing board** may increase the priority of an application where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child, which can be appropriately met by the school.
- 7.4. The oversubscription criteria, set out in priority order, are as follows:

**[In line with statutory guidance, LAC and previously LAC must be given first priority in the oversubscription criteria. After this, schools are able to create their own oversubscription criteria so long as they are reasonable, clear, objective, procedurally fair, and comply with relevant legislation. The following oversubscription criteria are provided as a guide and can be amended as necessary.]**

- 8.2. If a place becomes available, the nursery will contact the parents of the child at the top of the list.
- 8.3. Placing a child's name on the wait list does not guarantee that a place will become available.
