Nursery Autumn Term Newsletter

Wednesday 16th September 2026

Dear Nursery families,

What a wonderful start to the year it has been! We have thoroughly enjoyed welcoming so many new families and getting to know the children over the past week. It has been lovely to see all of the children settling so confidently into their new classes, and we are delighted to see new friendships already beginning to develop and flourish.

Autumn 1

Over the coming weeks, our learning will be centred around our **Nursery Rhyme of the Week!**. Each week, we will explore a different song, providing the children with a variety of exciting and meaningful learning experiences. Our overarching focus will be settling in and building relationships, ensuring that your child feels valued and safe in school.

Through stories, role play, small-world play, creative activities and early writing experiences, the children will have opportunities to explore their similarities and differences, their families, their emotions and the world around them. These engaging, hands-on experiences will support the development of their language, confidence, creativity and problem-solving skills, while ensuring that learning remains fun, purposeful and enjoyable.

Please note that to protect our children the school gates are locked between the hours of 8.30am and 9.05am and 2.45pm and 3.30pm. If you are travelling to school by car during these times, please be aware that you could be locked in the school car park. Please find alternative parking outside the school gates, if required.

Autumn 2

After half term, our learning will continue to be centred around Nursery Rhymes**!** Throughout this exciting half term, we will explore a variety of celebrations and traditions, including Diwali, Halloween, Bonfire Night, birthdays and, of course, Christmas.

Through stories, creative experiences, music, role play and hands-on activities, the children will have opportunities to learn about how different celebrations are enjoyed while developing their understanding of themselves, others and the world around them.

Class texts and rhymes

The following stories and songs will be woven throughout our weekly themes, providing familiar and engaging stories to support, extend and enrich the children's learning.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Autumn 1	1, 2, 3, 4, 5 Once I Caught Fish Alive	A Sailor Went to Sea	Baa Baa Black Sheep	Down at the Station	Hey, Diddle, Diddle	Humpty Dumpty	Jack and Jill

Supporting your child at home

At Westfield, we do not set formal homework, but we strongly encourage families to support their child's learning at home. Developing positive home-learning habits from an early age can help children to build confidence, reinforce their learning and share their experiences with you.

Each week, your child will be sent home with a **Knowledge Organiser**. These provide an overview of the week's learning, along with ideas and suggestions for simple ways you can support and extend your child's learning at home.
