If your child has an allergy or special dietary requirements, please inform your school and our catering team, so we can discuss their needs.

We have highlighted the 14 allergens on our menus to help you make informed decisions. Some of our recipes include 'may contain' information, but this is not included on our menus. This information is however available on our daily allergen matrix. Please contact your school cook for further information.

V = Vegetarian **VG** = Vegan

Our menus are not only tasty, but comply with the Government School Food Standards, meaning they are good for your children too. They will very occasionally need to change due to circumstances beyond our control, so please check with your catering team if your child has any dietary requirements.
