Dear Parents/Carers,

We were delighted to hear that all children will be returning to school on the 8th March. Your support of home learning has been greatly appreciated and I hope you too are looking forward to a little normality once again.

World Book Day

Even though World Book Day is officially the 4th March, as a team, we thought it would be a lovely return to school to celebrate it on Monday 8th March. Staff have planned an exciting week around reading books and sharing stories as well as a little surprise for Mothers' Day.

This year, we wanted to support an area of our whole school improvement. Words.... it's all we seem to be talking about throughout school. We want the children to get creative with a word and dress up accordingly. Here are a few examples:

Chromebooks

Any families, who have borrowed Chromebooks from school, are asked to return them to the KS2 hall on Monday 8th March. Children in Year 5 and Year 6 can take theirs straight to class. We ask that Chromebooks from all other year groups are returned to the hall, by an adult, where they will be checked, cleaned and quarantined prior to returning to class. Please ensure that the power cable is returned with the Chromebook and be patient with us whilst we sign them all back in. It will be a bit of a job!

Home Learning Workbooks

Please send all home learning completed in workbooks back to school with the children on the 8th March. It will be wonderful to celebrate this learning with the children and will also really help us with our assessments in the summer term.

We look forward to welcoming everyone back to school on the 8th. Have a great weekend enjoying the spring sunshine.

Please note that to protect our children the school gates are locked between the hours of 8.30am and 9.05am and 2.45pm and 3.30pm. If you are travelling to school by car during these times, please be aware that you could be locked in the school car park. Please find alternative parking outside the school gates, if required.
