## Grammar - Word Origins

This week we're learning about where words come from and how we use them every day.

[Click here to go to Bug Club.](#) Watch the video and complete the games.

[Watch this video on Youtube](#) and spot which languages have influenced the way we speak English today.

- Can you list any English words that came from other languages?

[Click here](#) to learn about Ancient Greek and Latin words that we use in modern English.

- Which root words do we use as part of English words?

**auto** = self  
**bio** = life

**graph** = writing  
**micro** = small

You don't have to do all the activities in one day - work through them all this week. By the end of the week, you should be an expert on the origins of modern English!
